

AMENDED IN ASSEMBLY APRIL 2, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 764

Introduced by Assembly Member Nava

February 26, 2009

An act to amend Sections 10085 and 10085.5 of the Business and Professions Code, relating to real estate brokers.

LEGISLATIVE COUNSEL'S DIGEST

AB 764, as amended, Nava. Real estate brokers.

The Real Estate Law provides for the regulation and licensure of real estate brokers and real estate salespersons by the Real Estate Commissioner. Existing law authorizes the commissioner to require that materials used in obtaining advance fee agreements be submitted to him or her at least 10 calendar days before the materials are used *and makes it a misdemeanor to use any agreement that the commissioner has ordered not to be used*. Existing law authorizes the commissioner to determine the form of the advance fee agreements.

This bill would instead require the commissioner to determine the form of advance fee agreements *and loan modification agreements, as defined*, and to mandate the submission of advance fee agreement *and loan modification agreement* materials prior to their use. *The bill would also prohibit advertisements used in obtaining advance fee agreements or loan modification agreements from using words, letters, initials, symbols, or other devices that are similar to those used by a governmental agency or nonprofit entity, as specified. By expanding the scope of a crime, the bill would impose a state-mandated local program.*

The Real Estate Law makes it unlawful for any person to claim, demand, charge, receive, collect, or contract for an advance fee for soliciting lenders on behalf of borrowers or performing services for borrowers in connection with a mortgage loan before the borrower becomes obligated to complete the loan and for performing any other activity for which a license is required, unless the person is a licensed real estate broker and has complied with the provisions of the Real Estate Law. A violation of that provision constitutes a public offense punishable by a fine of up to \$10,000 for an individual or \$50,000 for a corporation. *Existing law exempts from that prohibition banks, savings associations, credit unions, industrial loan companies, and licensed finance lenders and brokers.*

This bill would increase those fines to \$20,000 and \$60,000, respectively. The bill would also make it unlawful for any person to claim, demand, charge, receive, collect, or contract for any fee for performing services for borrowers in connection with the modification of the terms of a mortgage loan, unless the person is a licensed real estate broker, *and, as applied to real estate brokers, would prohibit advance fees for the performance of those services.* By creating a new crime, the bill would impose a state-mandated local program. *The bill would authorize the commissioner to adopt rules and regulations to implement provisions related to loan modification agreements. The bill would further exempt from the fee prohibition licensed residential mortgage lenders and services.*

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
